Forming and reconstituting the committee: Every two years, in accordance with Democratic Party of Virginia (DPVA) requirements, the SCDC is disbanded and recreated. All potential members are required to file a DECLARATION OF CANDIDACY FOR MEMBERSHIP form (Appendix A). Notice of the intent to form a new committee is announced in October and the form and filing fee are due in December. The vote to reconstitute with those filing forms occurs in December or January. The timing of the reconstitution is governed by the Democratic Party of Virginia (DPVA) Party Plan. The filing fee is \$25.00. The fee may be waived for full time students and in cases of financial hardship. Those who do not join at the time the committee is reconstituted, may join at any time during the year and pay \$25.00 dues. The fee is prorated at the rate of \$3.00 for the month of joining and \$2.00 per each additional month remaining in the year. No additional dues are collected in December of the year that the filing fees are paid.

Dues: Dues of \$25.00 per person are collected in December of the year that no filing fees are paid. Each individual essentially pays \$25.00 (or a pro-rata amount as described above) per year either as dues or a filing fee.

District and Precinct Captains: The County is divided into 7 districts and 26 Precincts. Each District and Precinct has a Captain to manage SCDC activities and business in the District/Precinct. For example, the District Captain is responsible for recruiting precinct captains for Executive Board Approval. District and Precinct Captains are responsible for recruiting canvassers, phone bank members, and poll workers for their District/Precinct and providing campaign materials for their Precinct. The Precinct Operations Chair has oversight responsibility for all District and Precinct Operations and is responsible for ensuring that captains have appropriate training and supplies. District and Precinct Captains are encouraged to creatively lead the activities in their Precincts using methods appropriate to their area.
